

# Our Vision

To create a thriving, empowered, and united community where Haitian and immigrant families have access to education, resources, and opportunities needed to achieve self-sufficiency and long-term success. We envision a community where every individual can contribute, prosper, and reach their full potential.

# Our Mission

PEEHSO Center exists to improve the quality of life of Haitian and immigrant families through education, immigration resource support, workforce development, and social services.

# About Us

PEEHSO Center for Education, Immigration & Social Services Inc. is a nonprofit organization established to serve the Haitian and immigrant communities in Springfield, Ohio and surrounding areas. Founded on the principles of service, compassion, and empowerment, the Center provides educational opportunities, resource navigation, and support programs that help individuals and families overcome barriers and build brighter futures.
